

Legal advocacy from a place of passion, empathy, integrity and trust — finding a sense of peace in times of strife or planning for the future.

Mallory A. Moreno, principal in the Elder Law, Estate & Trust Administration & Litigation and Estate Planning & Asset Protection practices, is a CELA (Certified Elder Law Attorney), an exclusive honor bestowed on a select group of attorneys by the National Elder Law Foundation. There are only 13 CELAs in Illinois providing creative solutions for clients who are faced with elder law issues.

From complete estate and long-term care planning to addressing urgent and often expensive healthcare situations, Mallory devotes her practice to advocating and helping individuals and families maximize the independence and quality of life of seniors and people with disabilities.

Mallory's practice focuses in estate planning, adult guardianships, estate and trust administration and litigation, including financial exploitation, will and trust contests, fiduciary disputes, issues of capacity, powers of attorney, undue influence, citations and fraud. She also handles long-term care planning, Medicaid, Medicaid appeals, special needs planning and disability law.

Mallory is on the Board of Directors and is the past president of the Illinois Chapter of the National Academy of Elder Law Attorneys (IL NAELA), an organization closely involved in advancing legislation on behalf of elder law attorneys and their clients.
